You can read the SAB bulletin [here](#)

i-Connect User Accounts

With a recent update to i-Connect it's now possible to self-serve password resets. From the login page, click on "Forgot Password?" which can be found directly under the login button.

This will then prompt you to enter your i-Connect Username and the email address you have registered with. If these match our records, you will be emailed a password reset link once you click on submit.

This replaces the need to contact SPFO to recover your account.

SPF AGM 2024

Our 2024 AGM will be held via Teams on Friday 28th June, 10:00 to 13:00. Invitation to follow.
