More details and an agenda will be issued shortly.

### LGPC Bulletin 255

The LGPC has published bulletin [255](#). Points of interest are:

- Consultation of draft regulations
- Updated and new actuarial guidance.

### Ill Health Retirements

When processing Ill Health retirements, we ask that you give the due notice required (2 months), and where possible to request a provisional calculation in advance of the retiral being agreed.

### CIPFA Scotland Awards 2024

Last week, SPFO was named Finance Team of the Year at these awards which celebrate excellence in public finance right across Scotland.

The award recognised the success and impact of the Fund's 2023 actuarial valuation, and the contributions of the entire SPFO team in delivering it.
