LGPS Ill-health Process Seminar

Representatives from the Pensions Ombudsman (TPO) will be running a seminar on the LGPS ill-health process on **Thursday 22nd September at 11:00 a.m.**

The online seminar will aim to address issues highlighted by pension funds and employers. SPPA and LGA will also be on the call. This will give you a chance to hear about TPO and the different roles and responsibilities around the ill-health process. Participants will have the opportunity to ask questions after the presentation. This will provide an opportunity to hear from as many stakeholders as possible, and a forum to resolve any issues.

Employers, HR colleagues and OH Providers are all invited to **register in advance for this Zoom meeting:**

After registering, you will receive a confirmation email containing information about joining the meeting.

For those who cannot attend on that date, there will be another chance to attend on Tuesday 4th October 2022. Invitations will be sent out nearer the time.

Employer Self Service

The Employer Self Service portal is reaching its end of life at the end of this calendar year. There won't be a direct like for like replacement, but we are working on alternative processes to ensure that the required figures are still available to you. Details of this will follow later in the year.
