Employer Forum

Our next 6-monthly forum for non-local authority employers will be held in our office on Thursday 19th March. We will hold 2 sessions – 10am and 2pm

Please email Karen.sweeney@glasgow.gov.uk by Monday 2nd March if you wish to attend stating your preferred session.

Leaver Form-New Version

We have redesigned the Leavers form for a member opting out OR leaving without a pension OR being dismissed.

The new version can be found on our website at:
<https://www.spfo.org.uk/index.aspx?articleid=15844>

i-Connect

As previously advised, all employers will need to start using our data management solution, i-Connect, by 31st March 2021, so most should be adopting it during 2020.

January Training Day

The presentation slides for the Unique ID training held in our office can be found at:

FRS 102 / IAS 19 Reporting as at 31st March 2020

We are awaiting details of this year's exercise from our actuary, Hymans Robertson. Once we have them, we will forward to contacts at employers who have previously requested these accounting disclosures.

For Reference

The LGPC has published [bulletin 193](#) Much of it is about England & Wales, but it includes the following which may be of interest:

- Scottish consultation on changes to the local fund valuation cycle and exit payments.
